

Paul and Saul

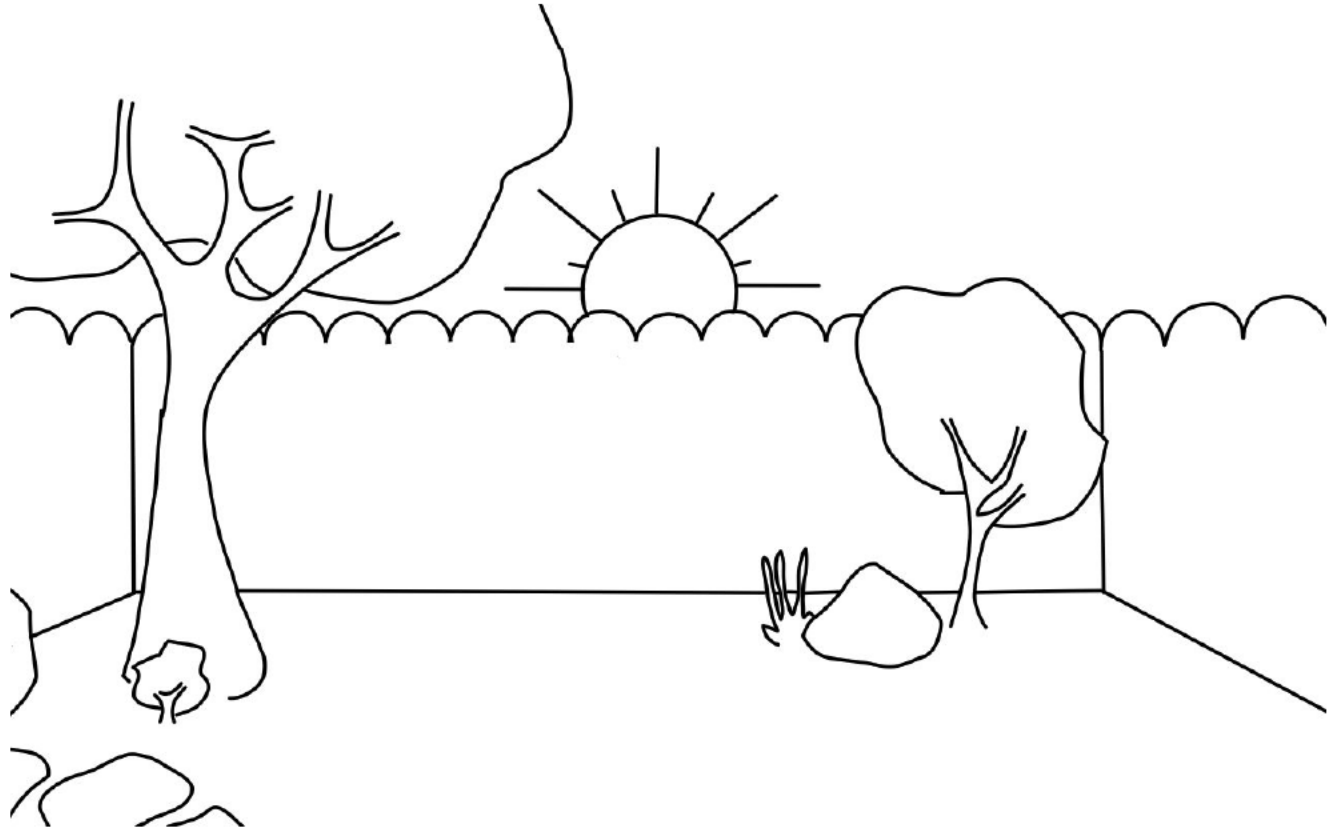

Written by Teresa Taylor
Illustrated by Russell Taylor

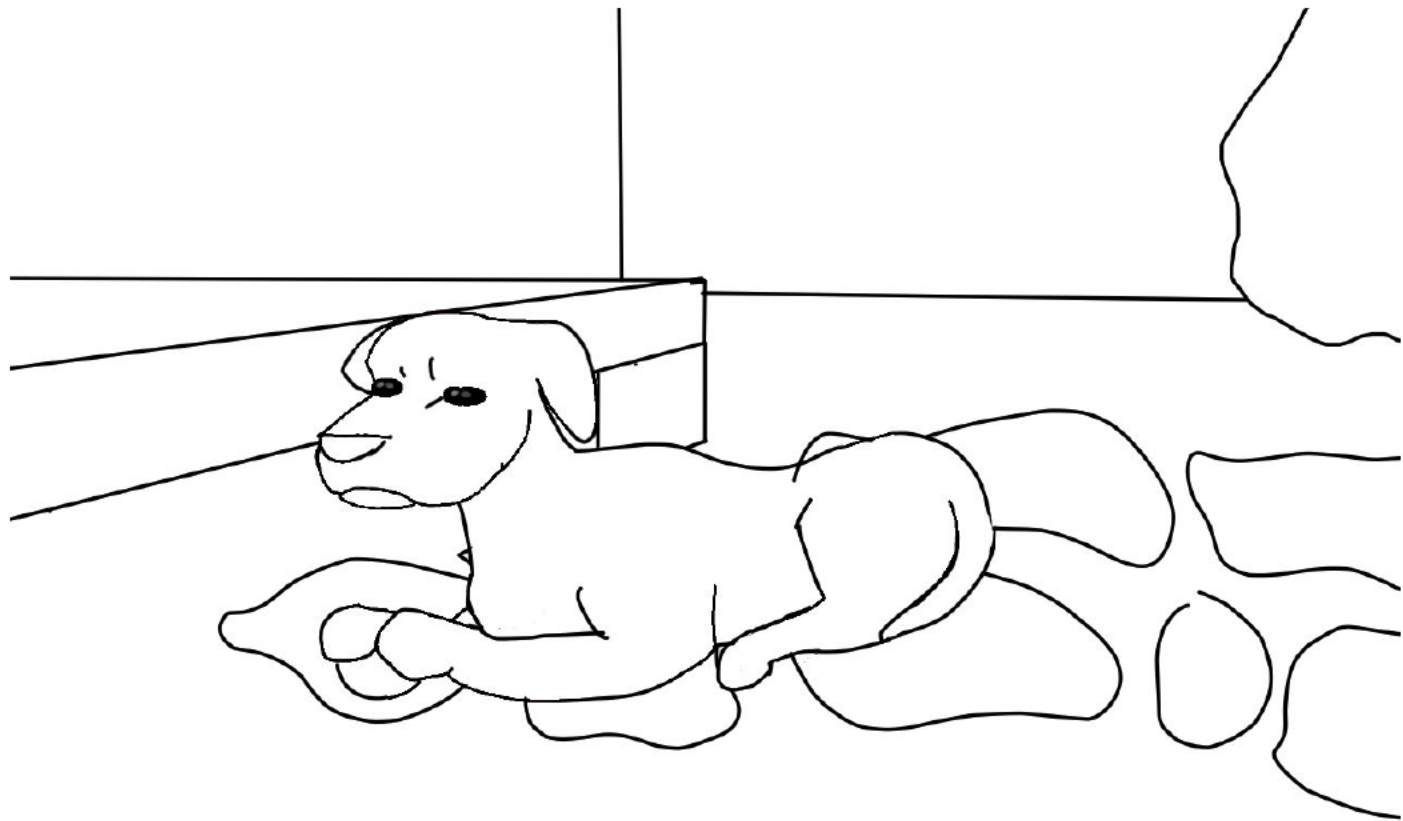

At dawn Paul and his dog Saul will go out to the lawn.

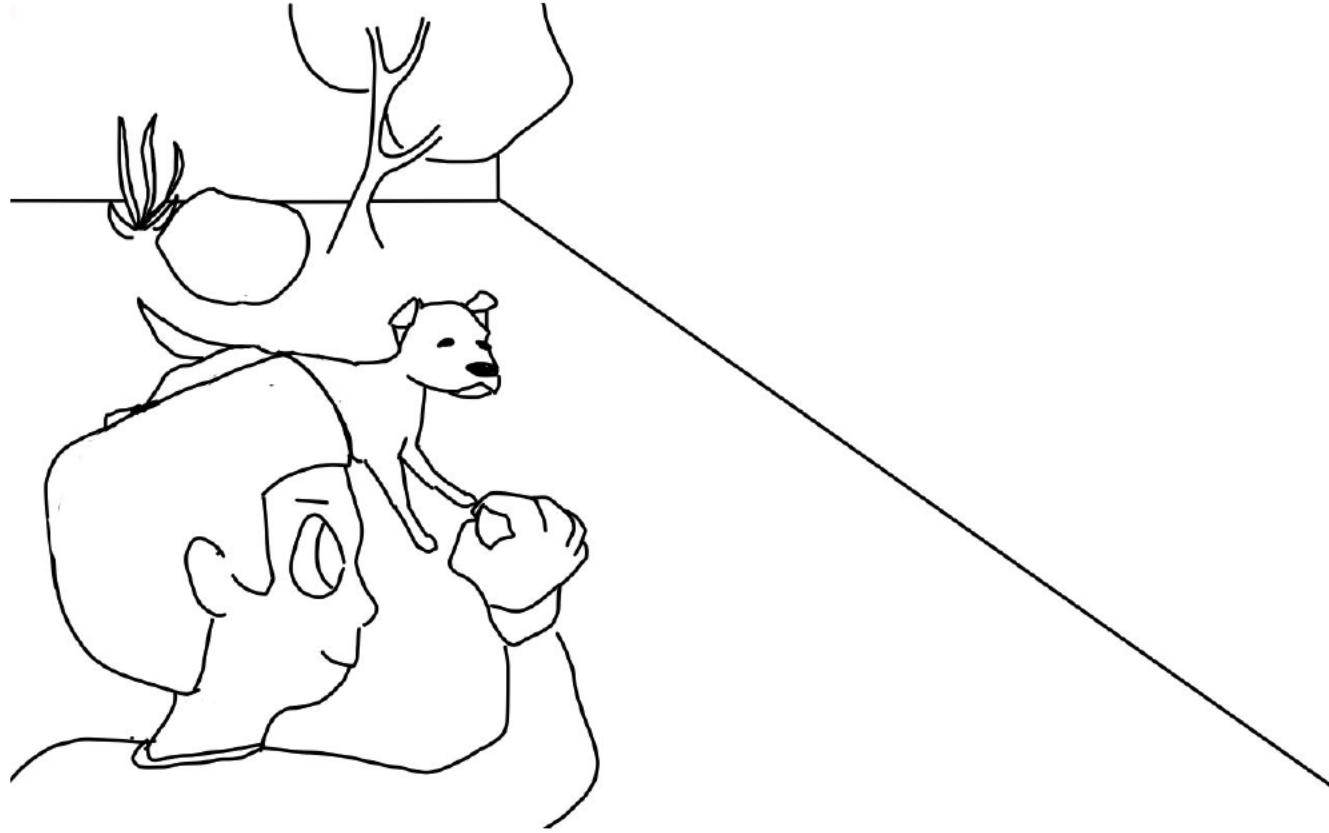

Paul will sit on a lawn chair and draw.

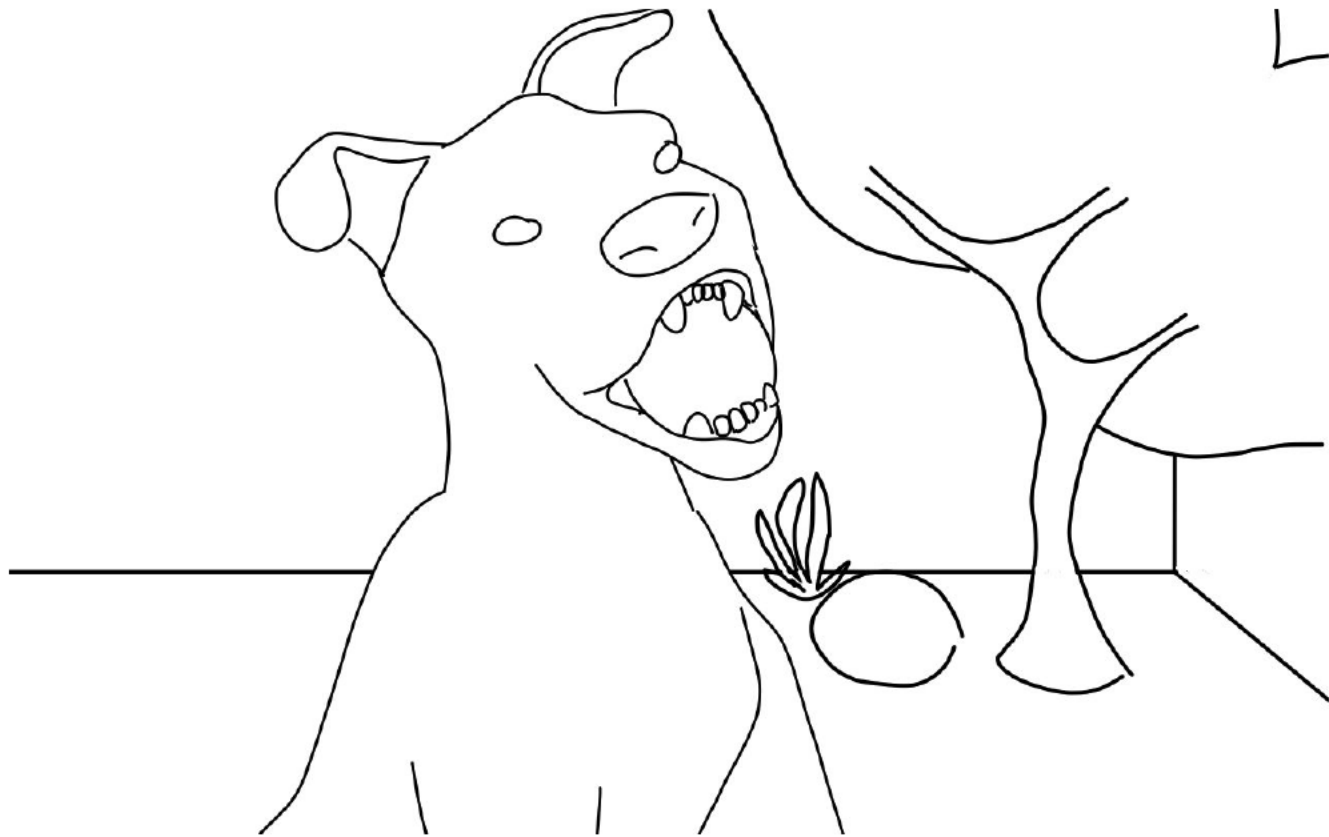

**He will watch the sun come up
and draw what he saw**

Saul will hold a ball in his paws.

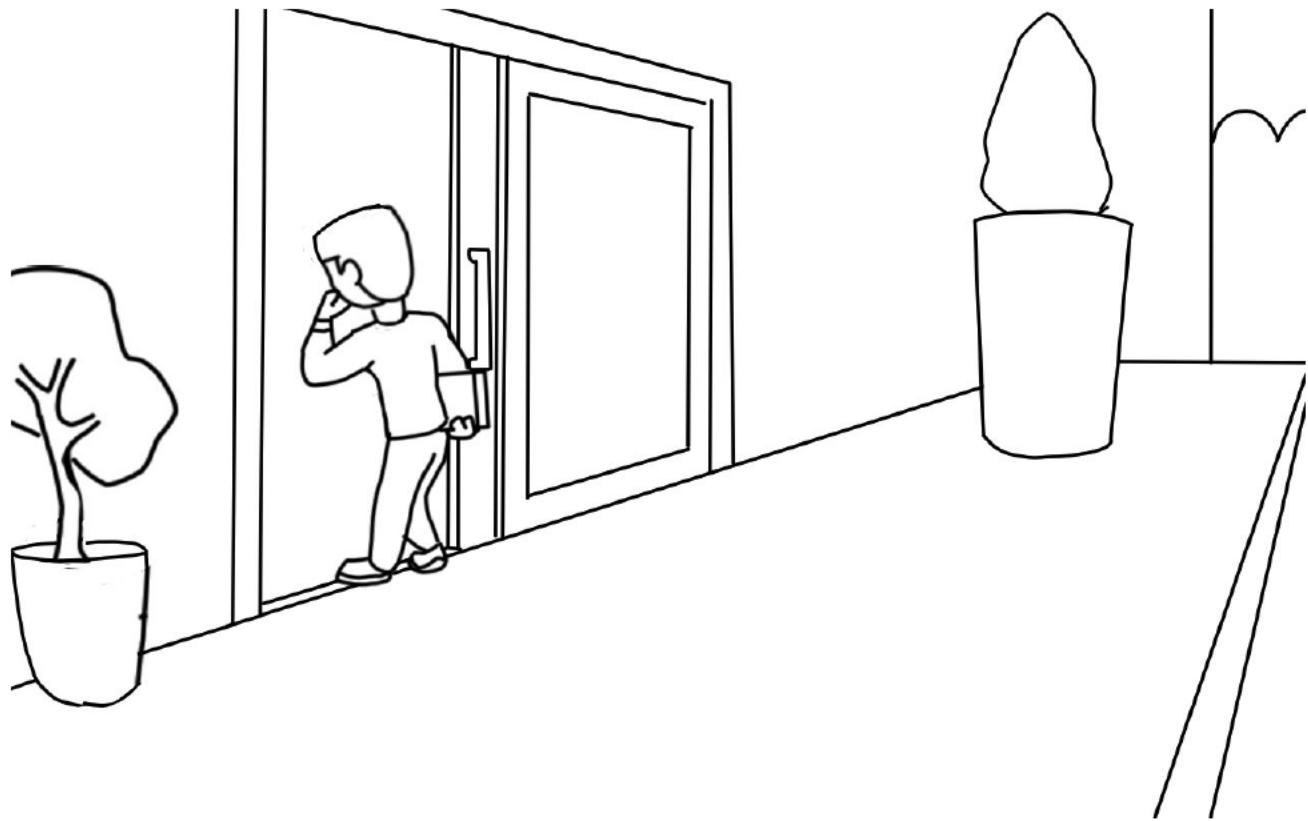

**After that Paul will launch the ball
back and forth to his dog.**

The dog will jump and catch the ball in his jaw.

Saul is worn out. He will yawn and crawl back to his dog bed.

Paul will yawn and haul his art work back home.
