

The Lone-Bone Ranch

By Teresa Taylor

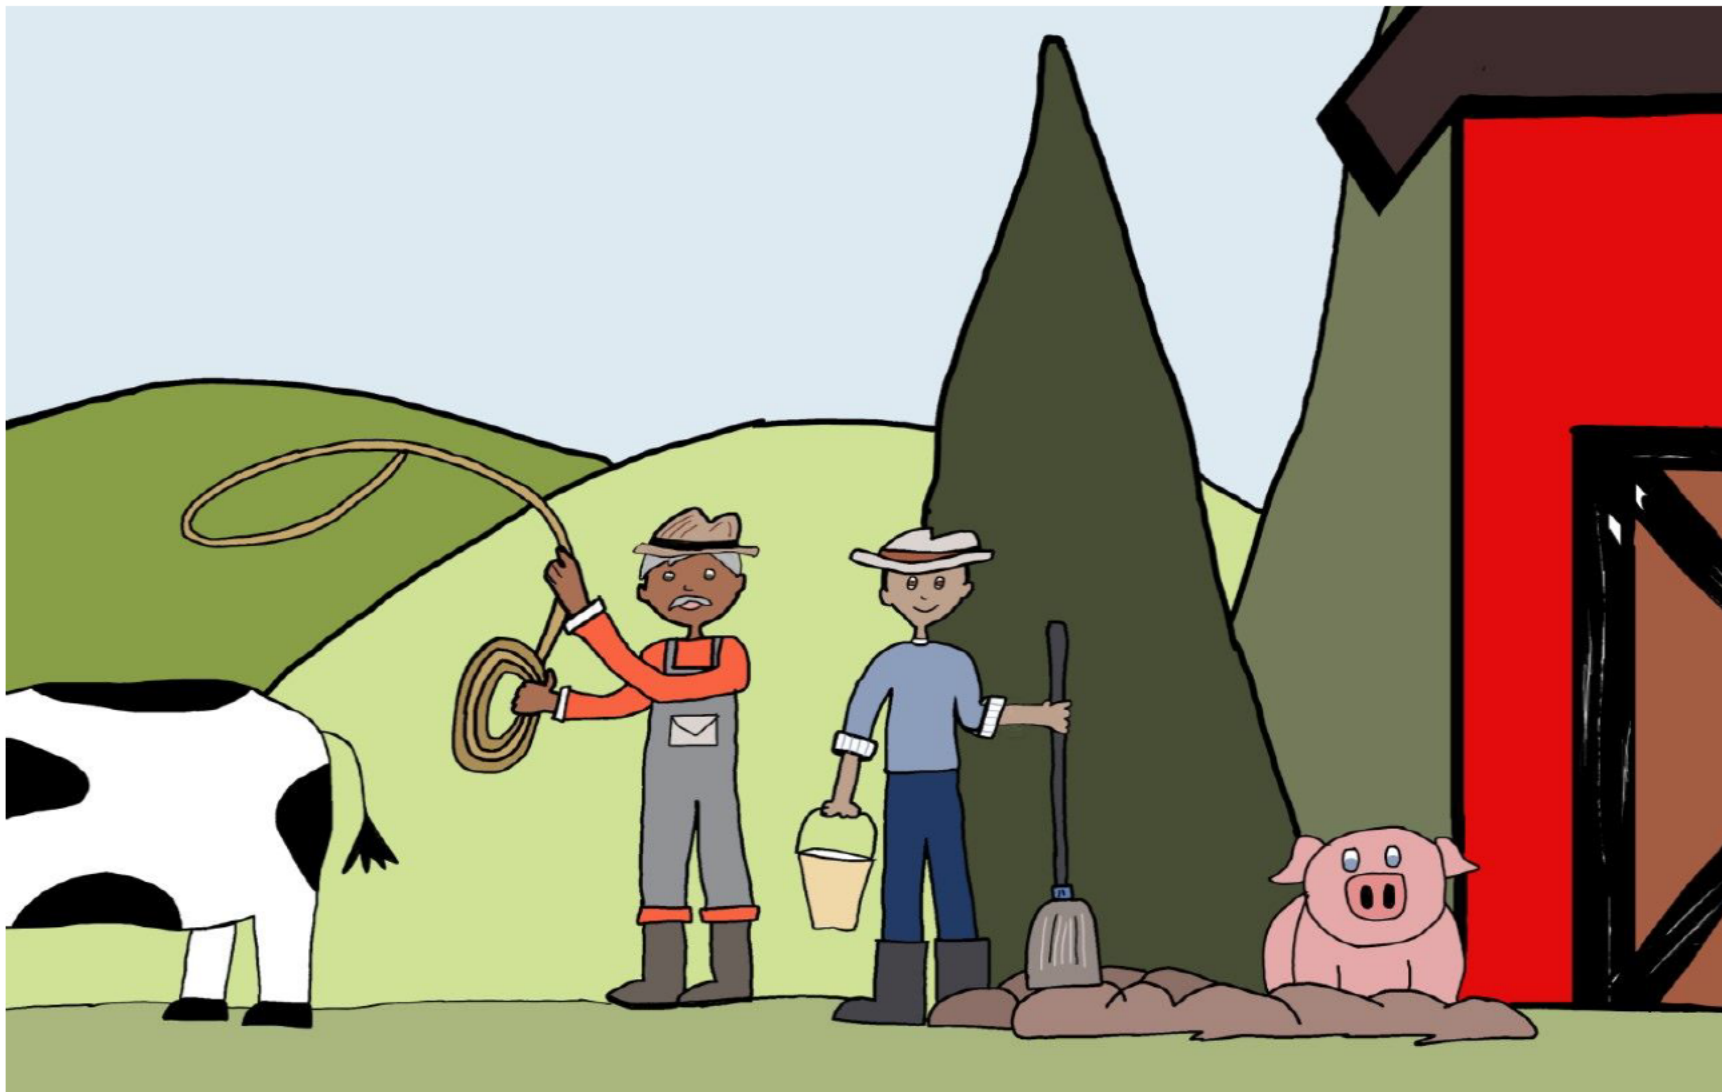

Moe is the boss of an old ranch.

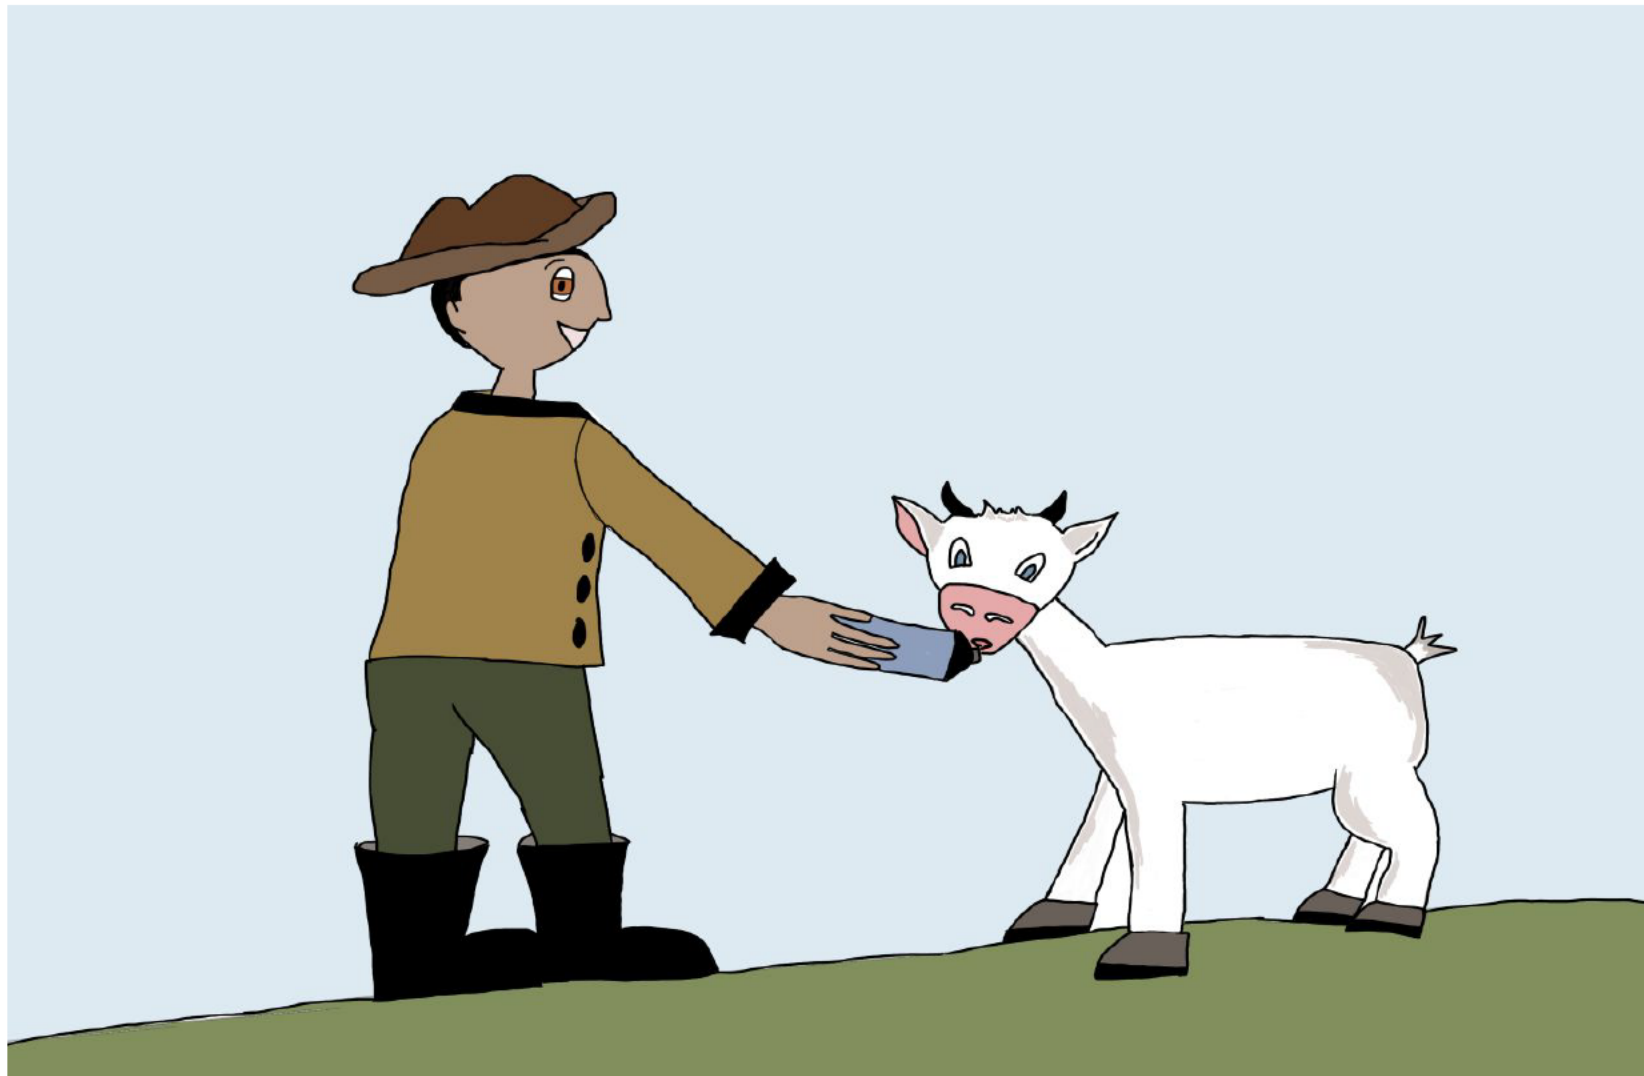

They call it the Lone-Bone Ranch.

Cole will help on the ranch.

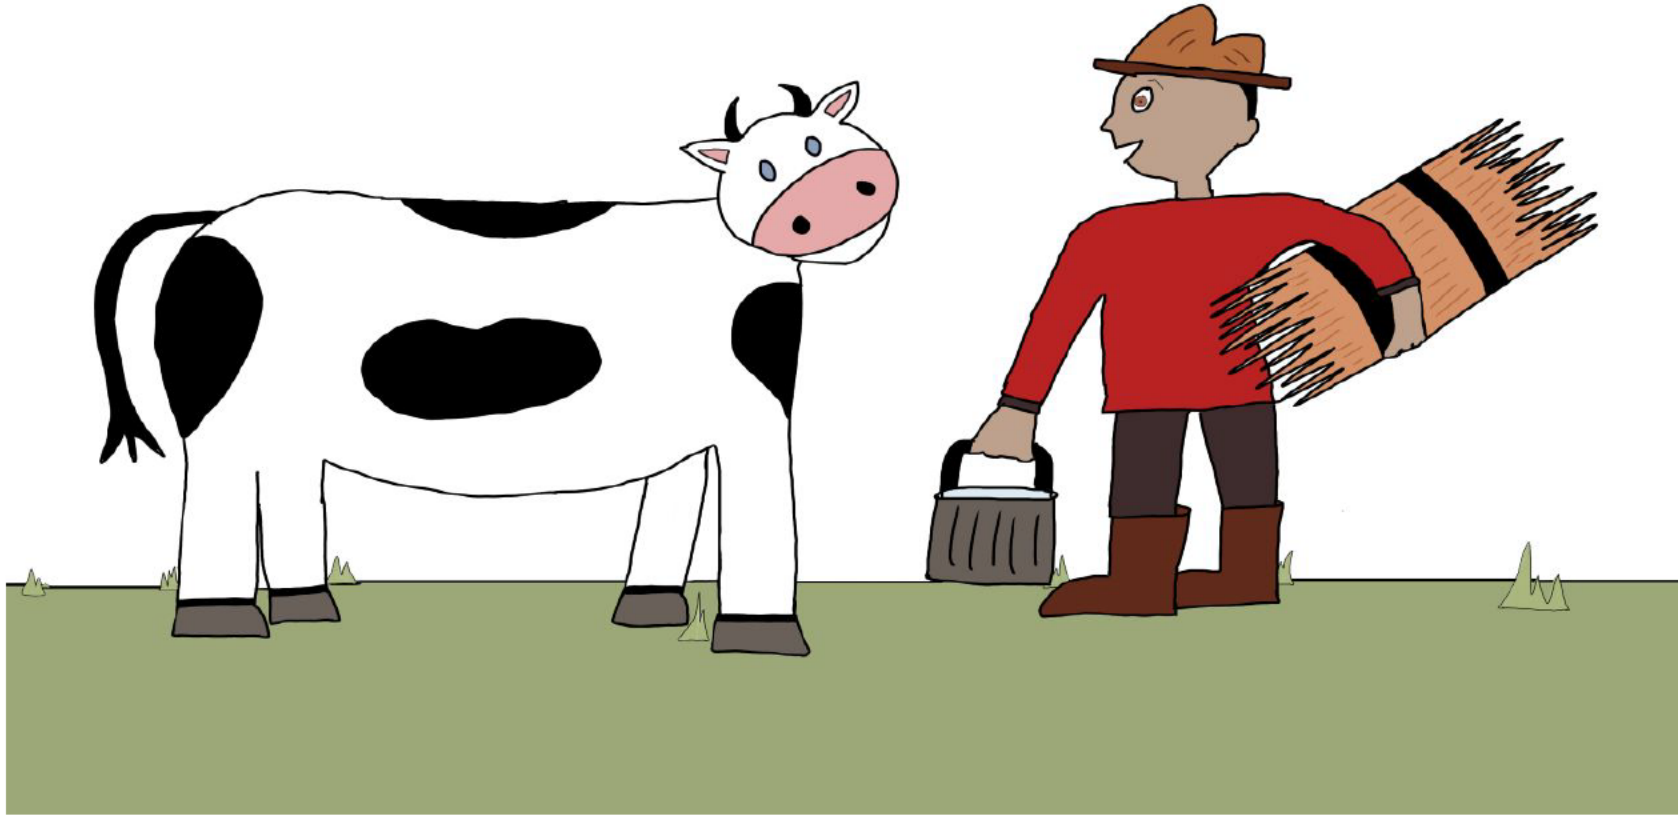

Moe will show Cole the ropes.

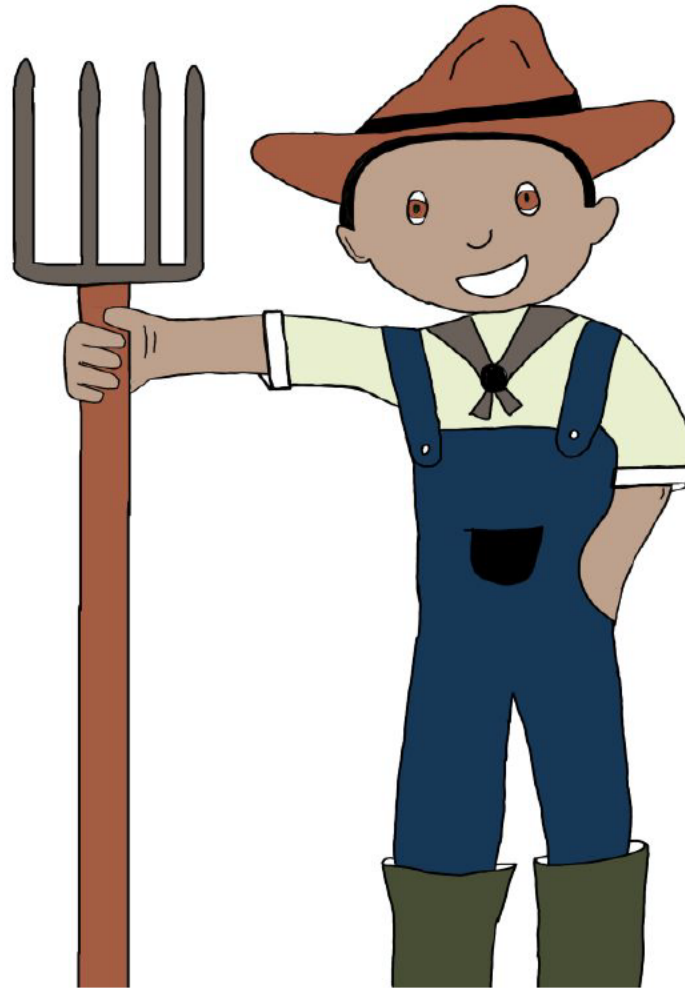

**Cole will feed the goats and
rope the foal.**

Cole is strong. He does not
moan or groan.

Cole knows he can go slow
and get the chores done.

He has a goal to own a ranch
just like Moe.

Fun Ranch Facts!

- A ranch is not quite the same as a farm.
- A *ranch* is a large area of land used for raising cows, horses, sheep, and other animals.
- Animals that are raised by people and used for food and milk are called ***livestock***.
- A *farm* grows and sells plants and other food.
- Food from plants that is grown to sell, or used to feed animals, is called a ***crop***.
- A ranch may grow some crops to feed the ***livestock***.
- The word *ranch* comes from the Spanish word *rancho*, which means “camp” or “place where herders live”.
