Finn was on a path to the mall.

He saw a tall chick on the path.

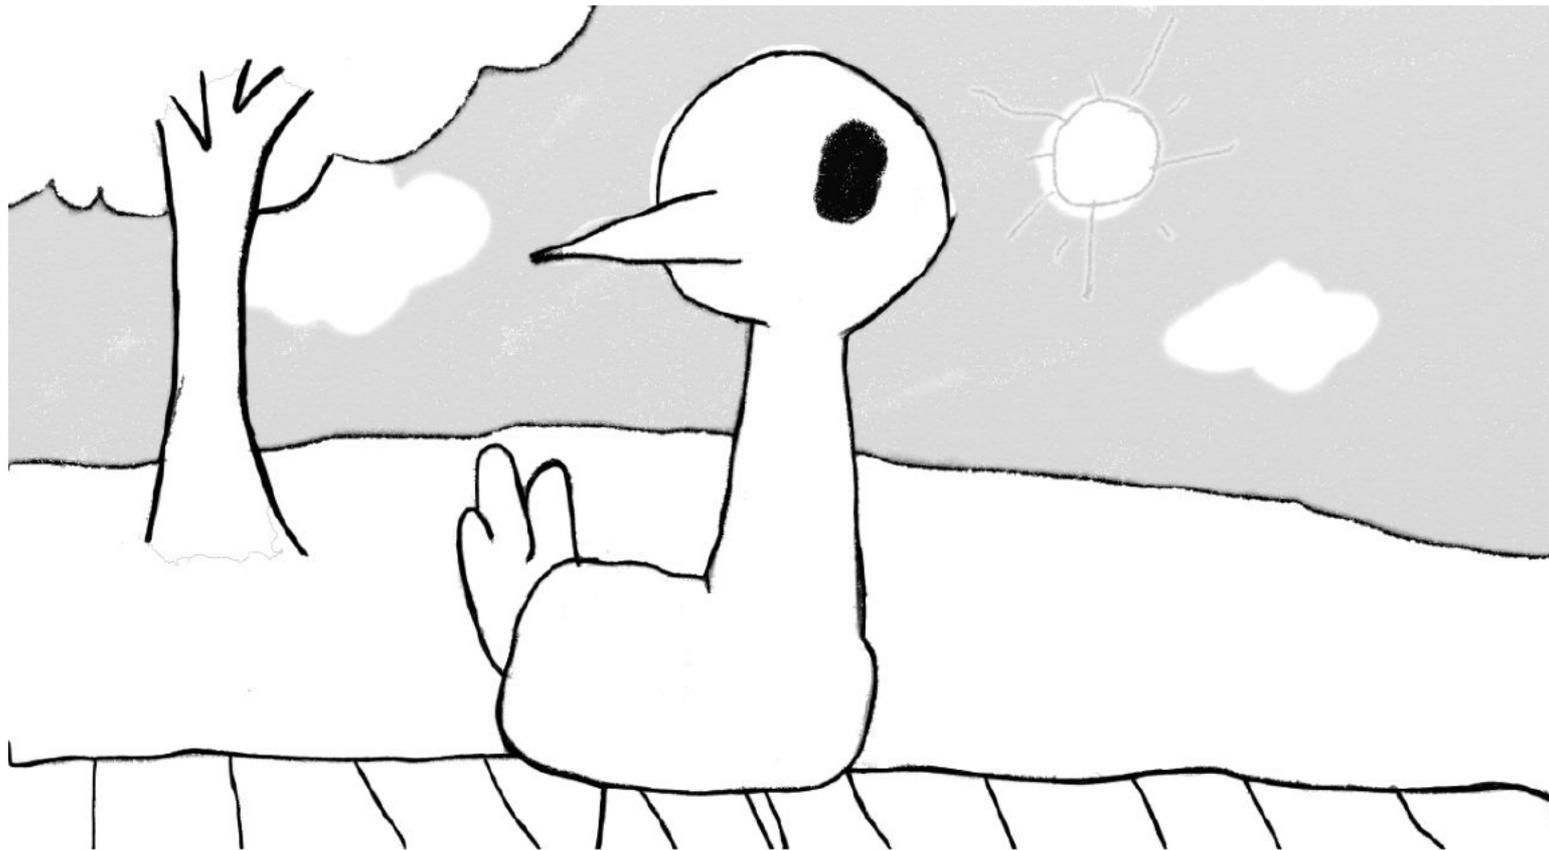

**The chick went “Chirp, chirp, chirp,”
and ran up the hill.**

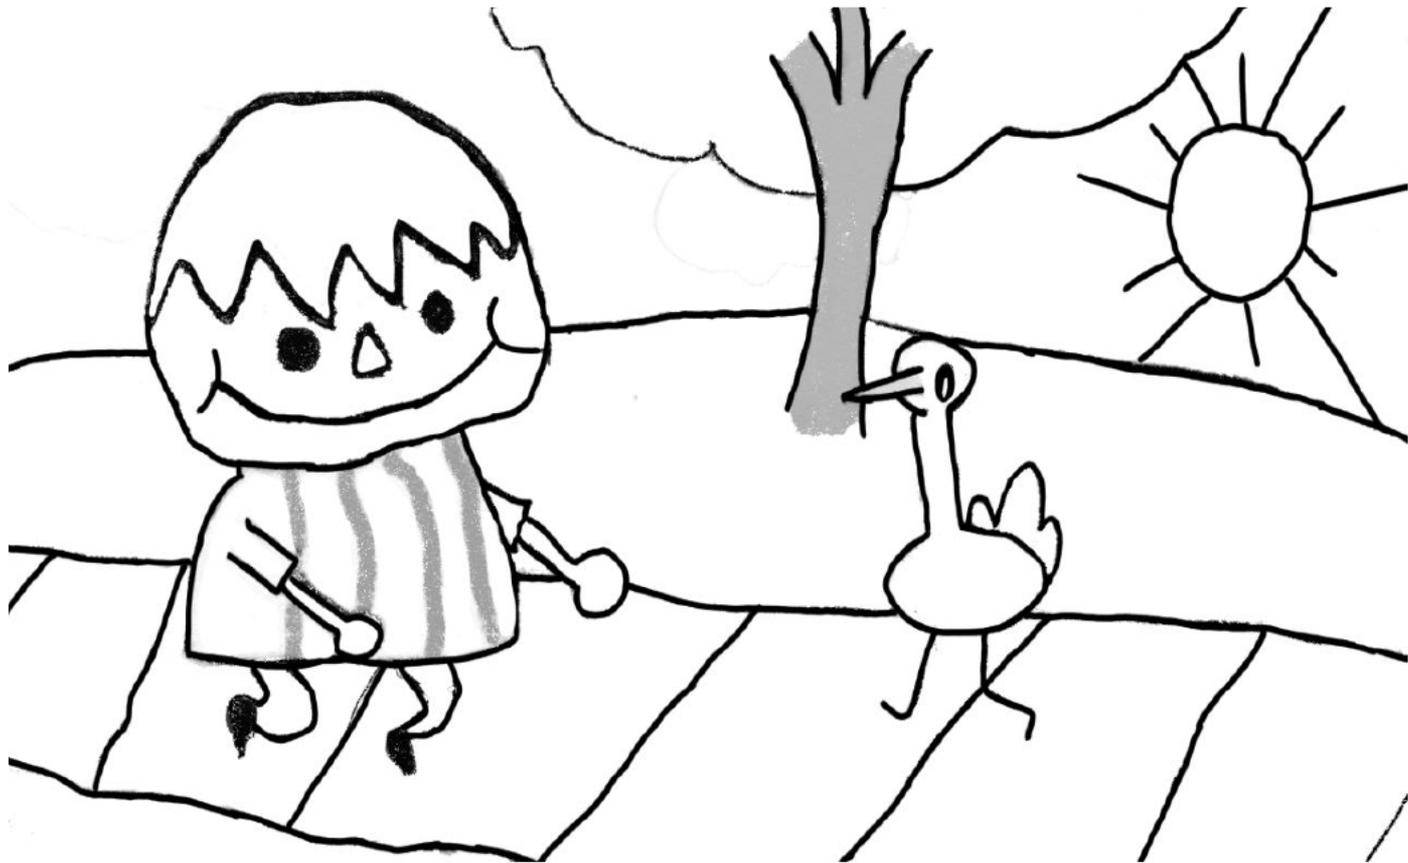

Finn ran to the chick.

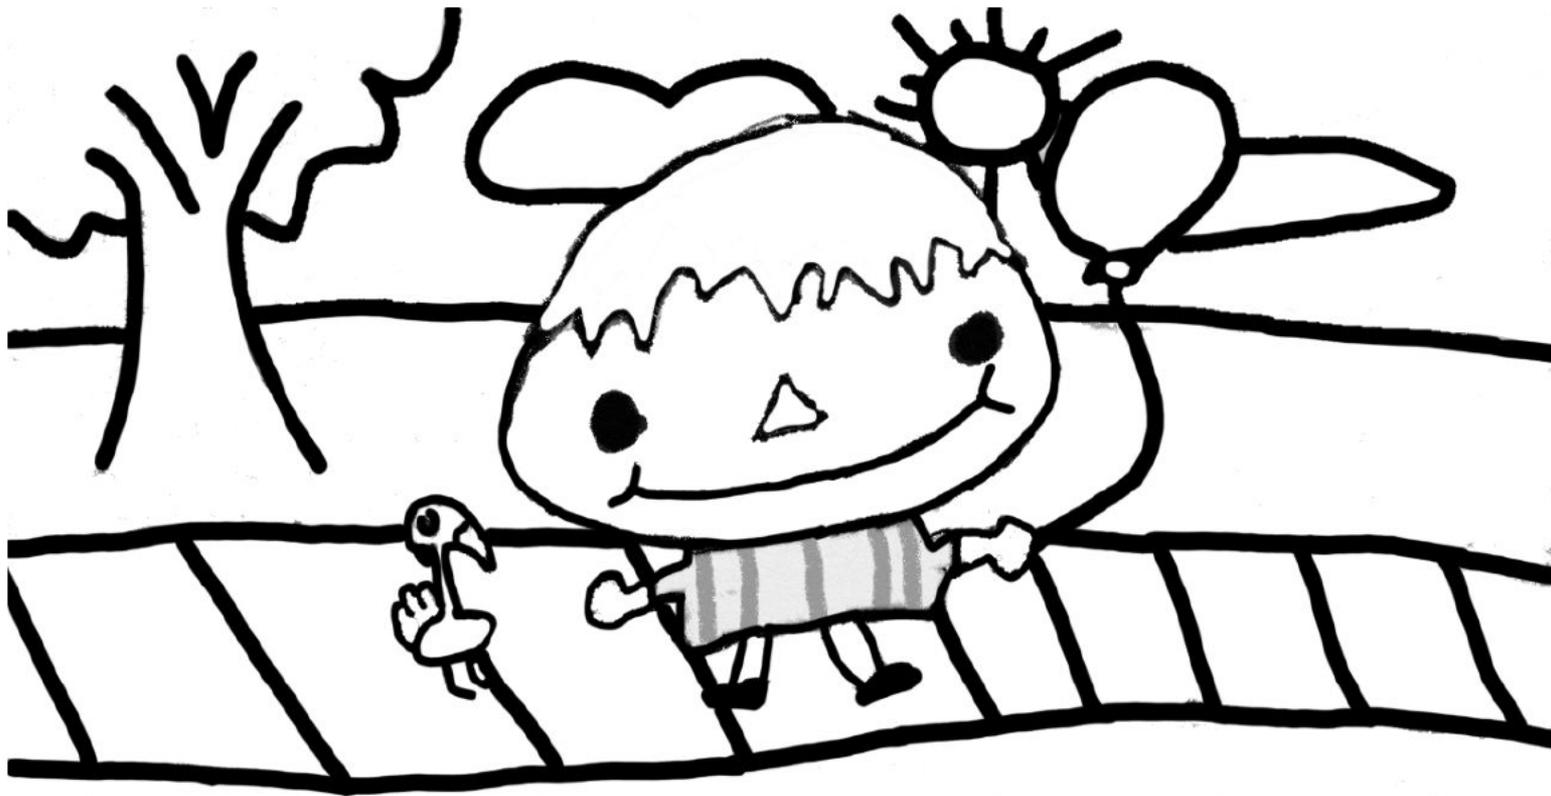

With a call to the chick he said, “Chirp, chirp, chirp!”

When the chick saw Finn she quit her run.

The chick went back to Finn in a rush.

Finn had fun on his walk with the chick.
