

Bob Gets on a Ship

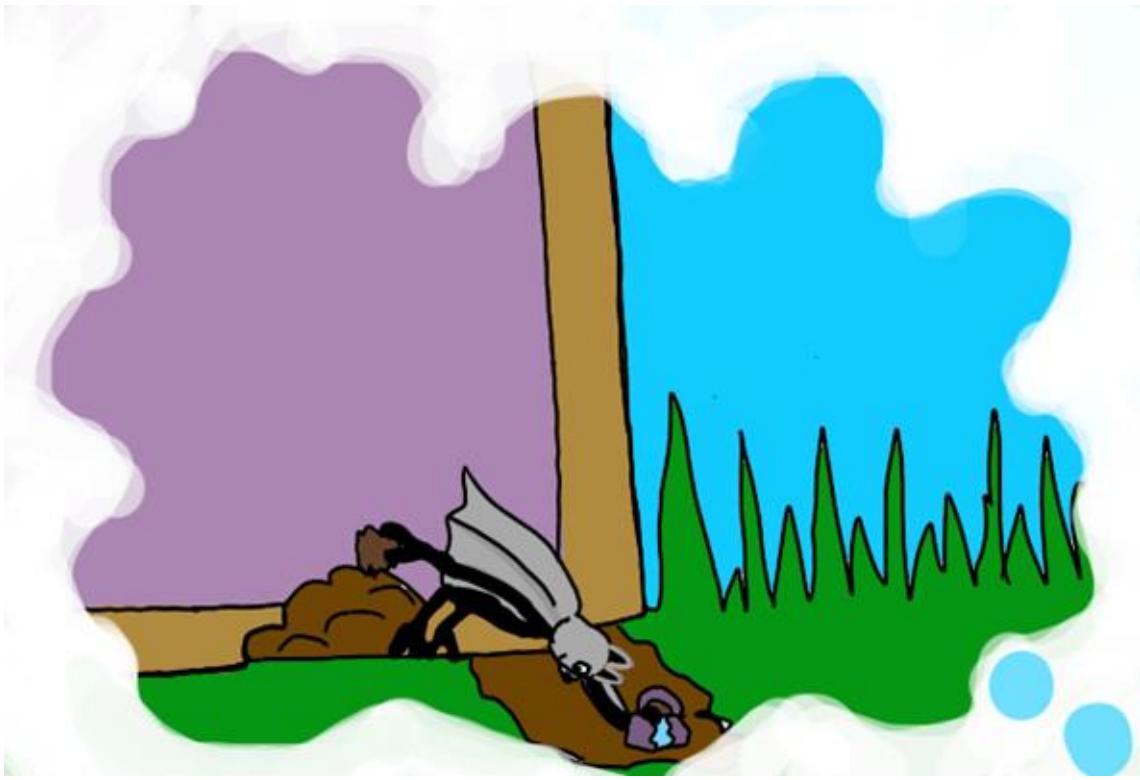

By Teresa & Katelyn Taylor

Al saw a mess by the back shed.

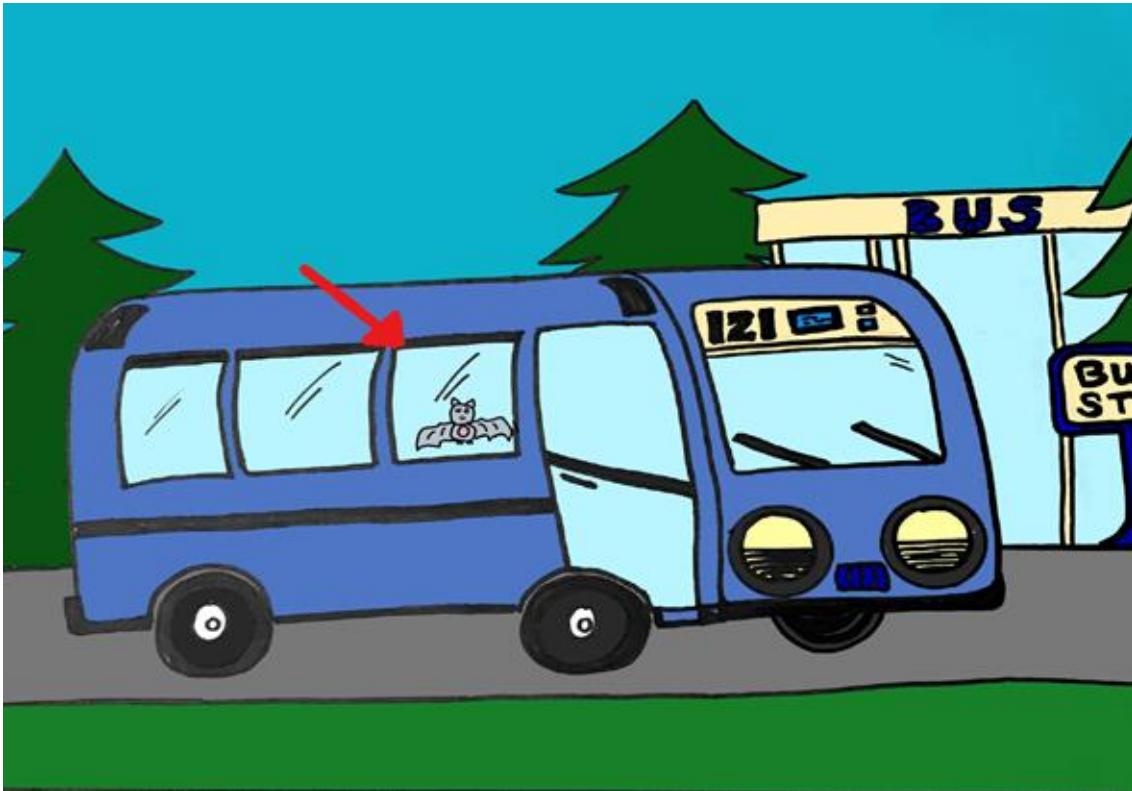

It was a mess of mud and
rocks by the wall.

Oh no! Her pet, Bob the bat, dug out of her lab.

Al ran off in a dash. She had to
get her pet back.

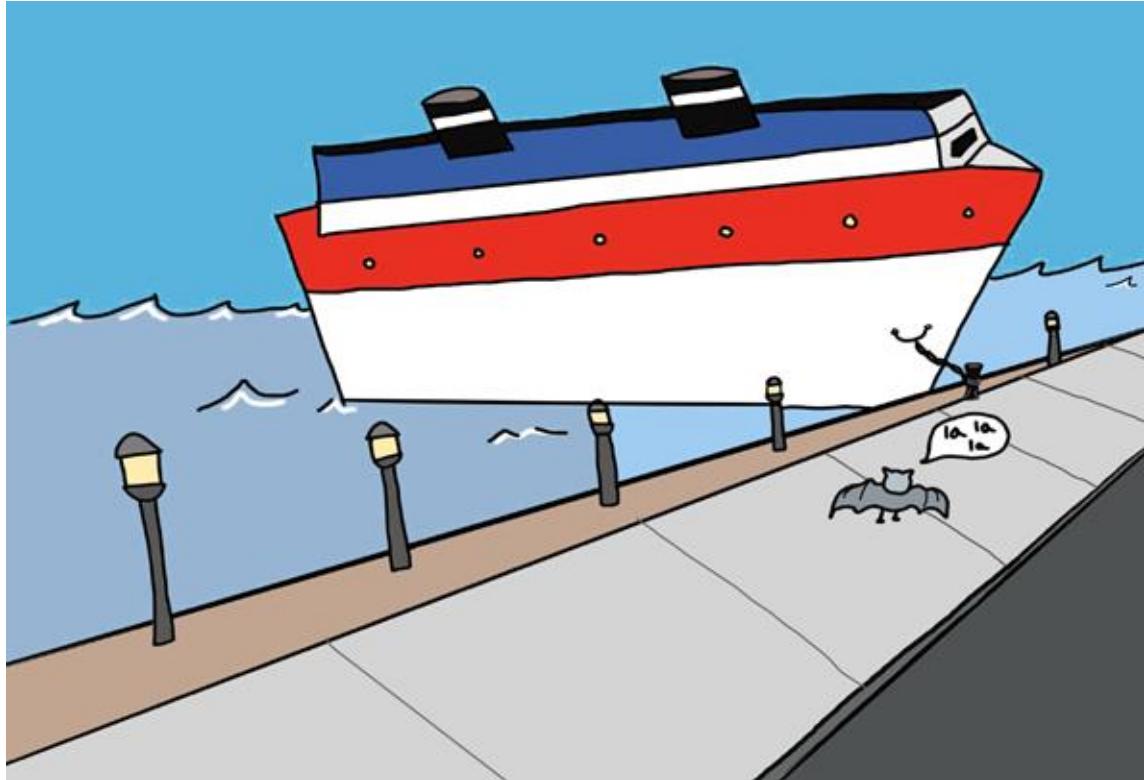

No luck! Bob was in a rush.
He was on a bus to find his mom.

**Bob saw a ship from the bus.
He got off the bus quick.**

**“This ship will get me back to
my mom!” he said.**

Bob is happy. He skips and sings a song on the path to the ship.
