

Mist and Trish Plan a Trip

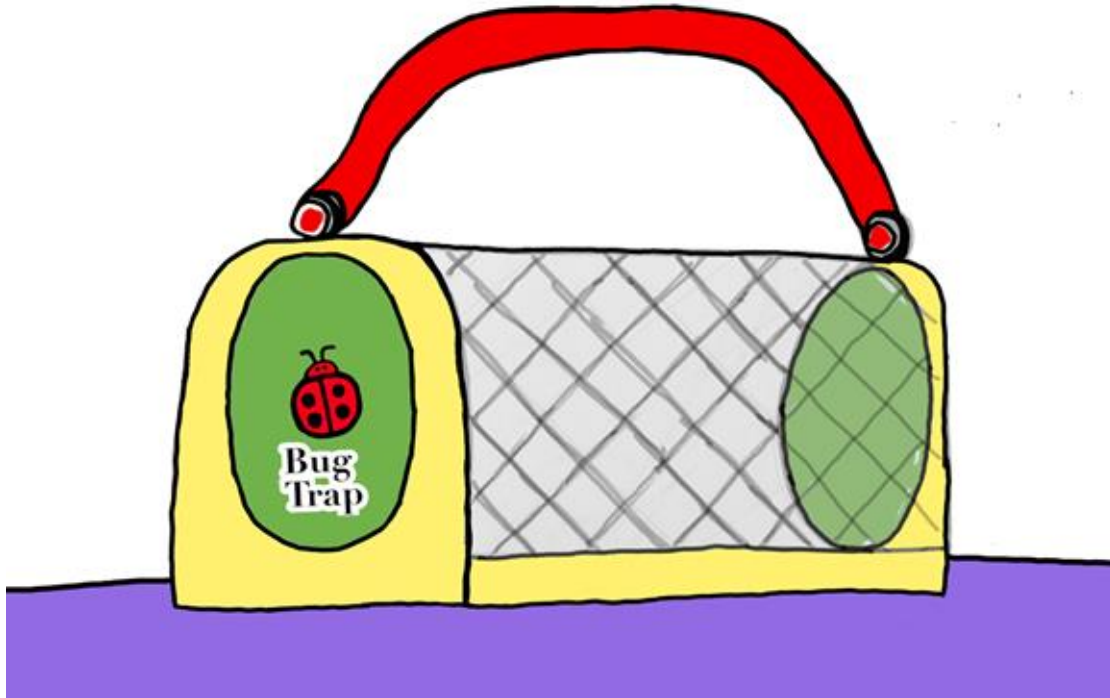

By Teresa Taylor

Mist and Trish got a tent for their trip. They will camp.

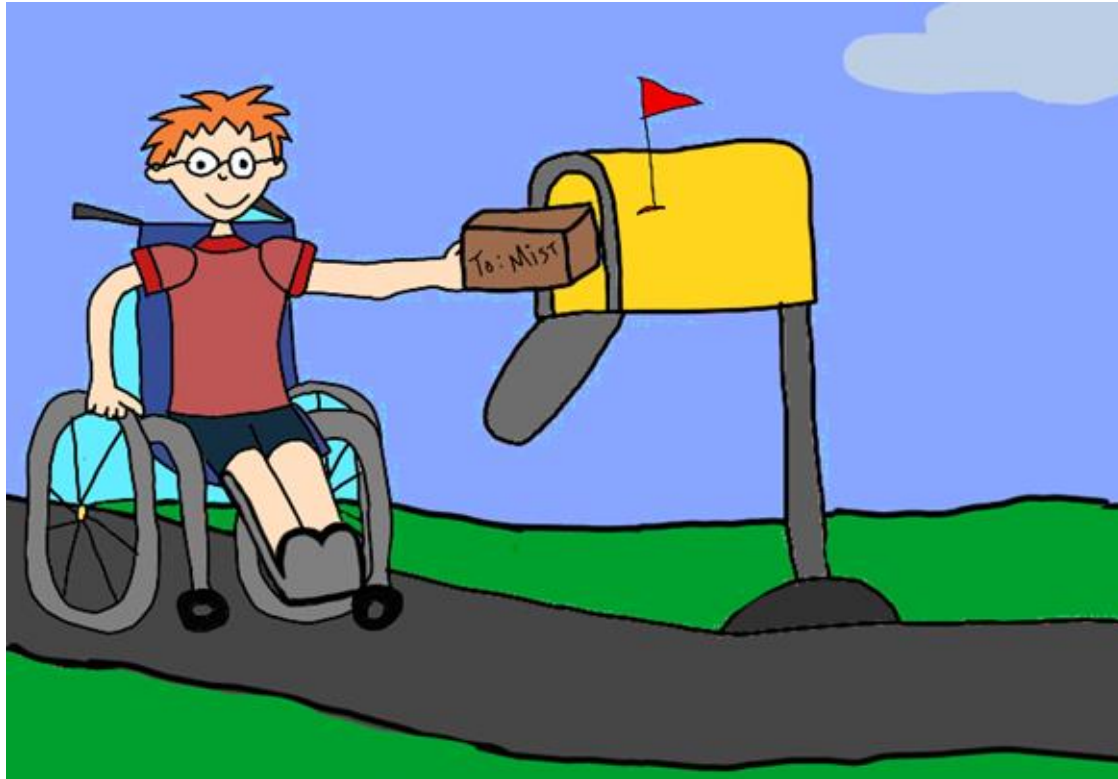

They are glad the tent will stop the bugs when they want to rest.

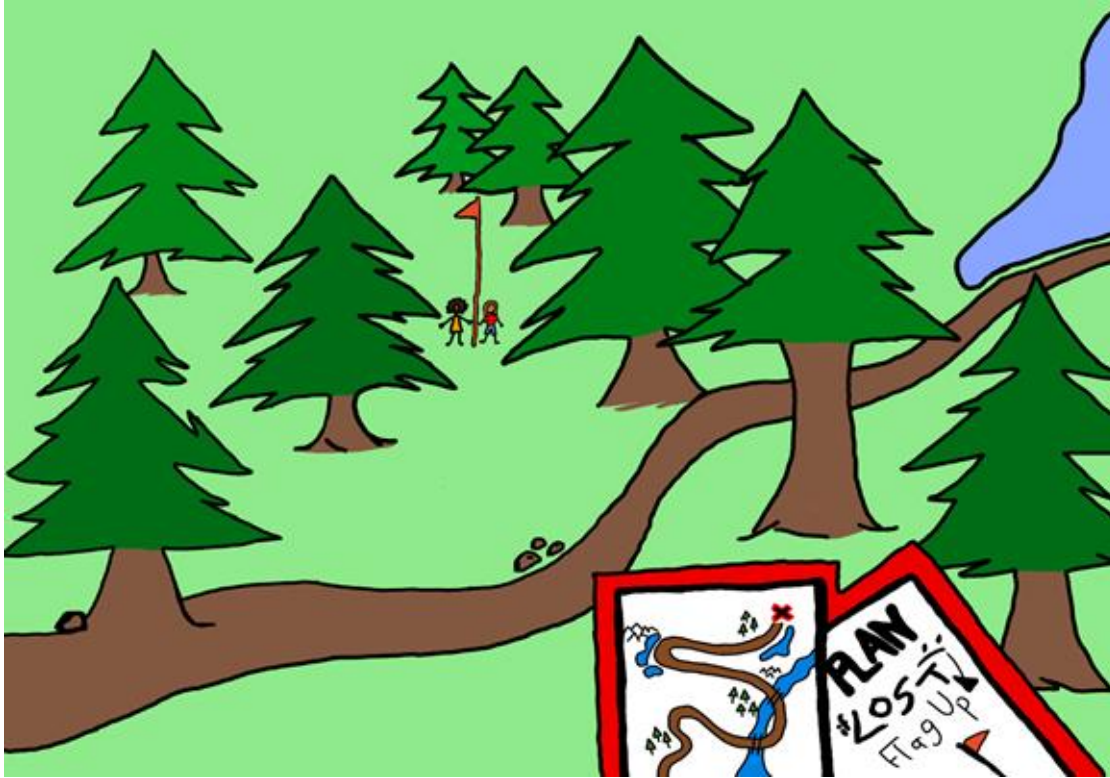

Mist will pack a small bug trap
for Trish.

Trish will grab flip flops with
pink trim for Mist.

Their pal Stan sent them a flag.

Their plan is to put the flag up if they get lost on their trek.

The next step is to cram all their stuff in a back-pack.

They pack a bug trap, flip flops, a flag, and a tent for the trip.

Now the gals are all set to go on
the trip.
