

Mist and Trish Stop at a Farm

By Teresa Taylor &
Katelyn Taylor

Mist and Trish pack the black truck with all their camp stuff.

Mist's dad will take them to a farm
where they will start their trip.

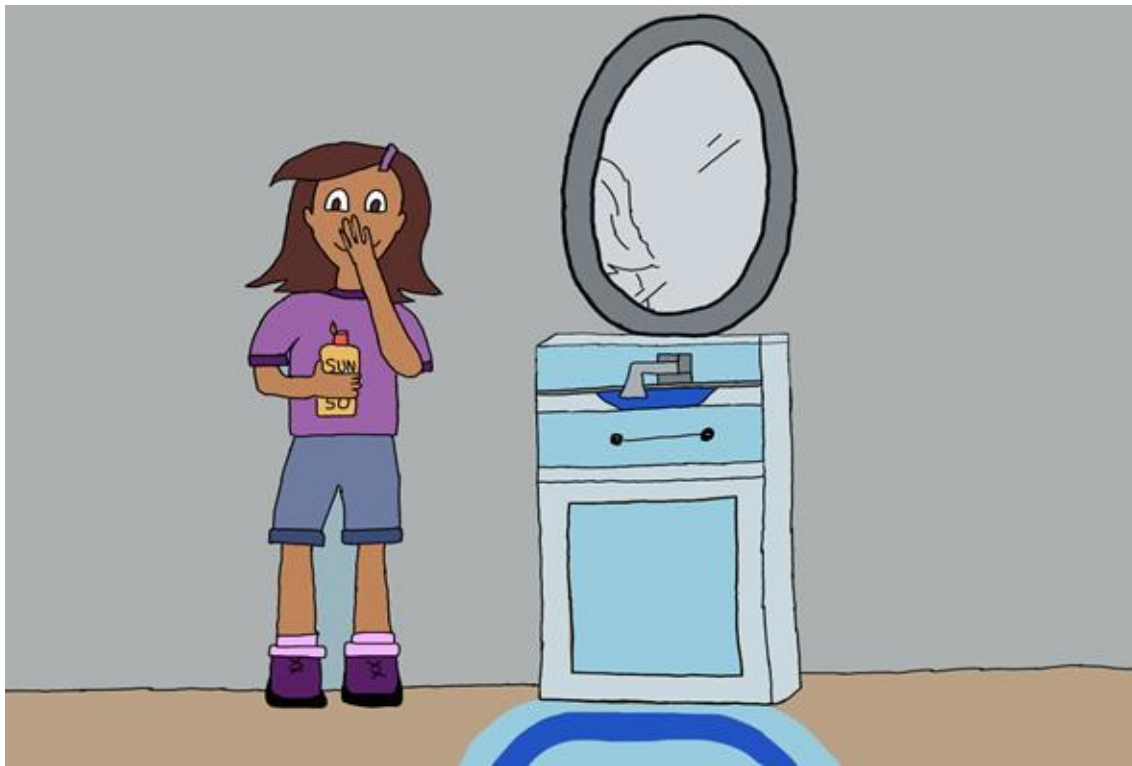

He stops his truck to get the
gals a snack and a drink.

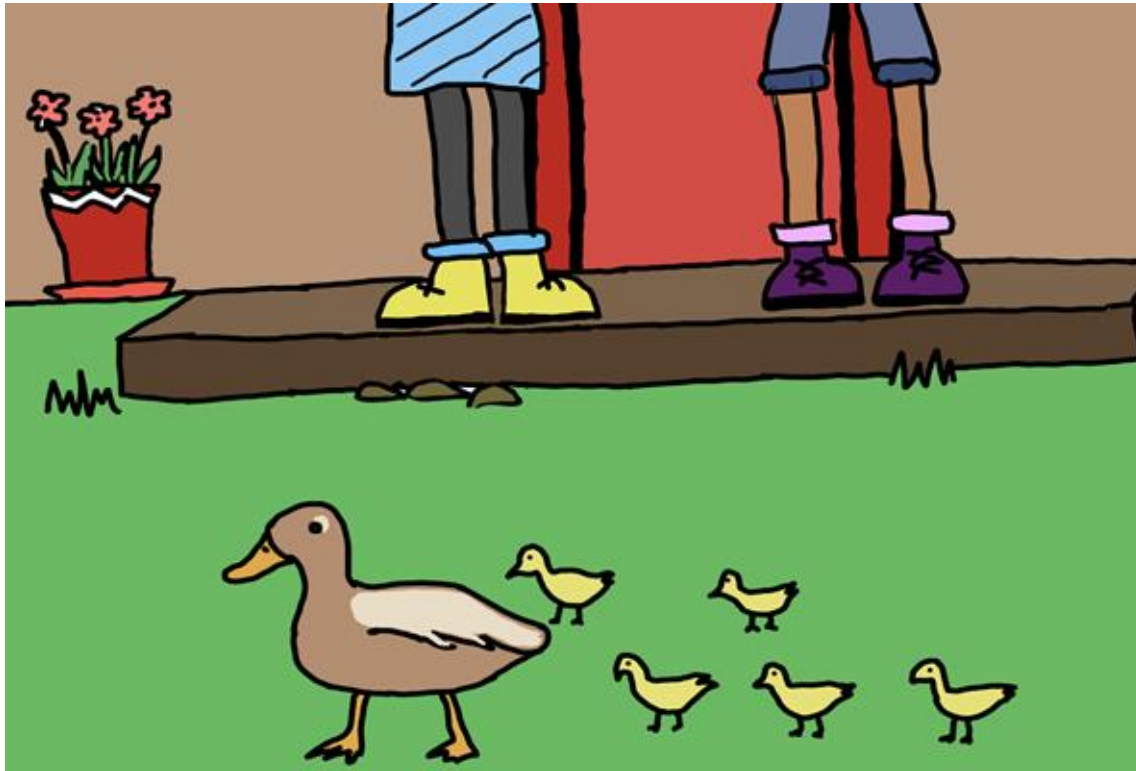

At the farm they rest on a
stack of soft quilts.

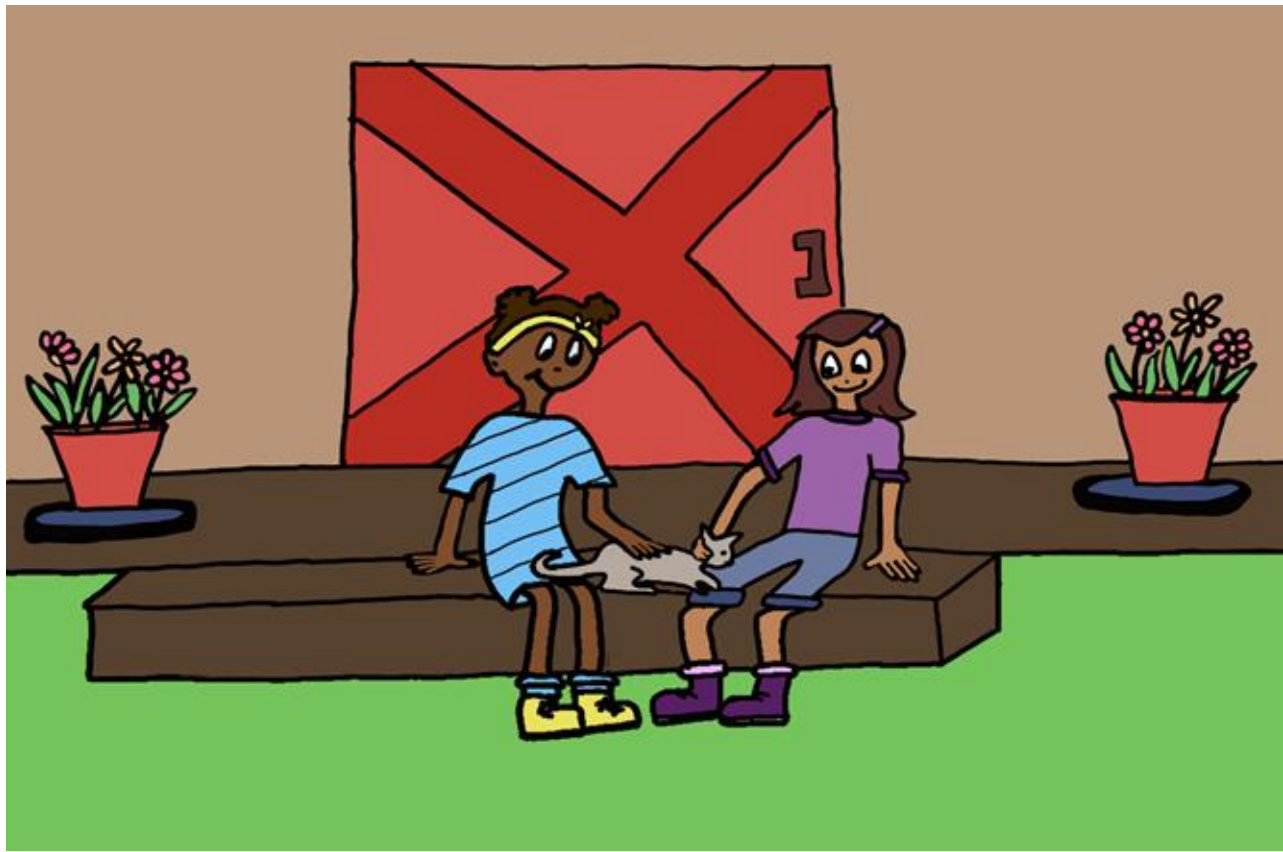

In the morn, Mist grabs eggs
from the hens on the farm.

Trish gets a glass of milk and
puts on sun block.

In the front yard a flock of ducks quack as they walk past.

What fun it is to be on the farm!
