

# Sue's Room

by Teresa Taylor

Sue and Joe were home  
from school.

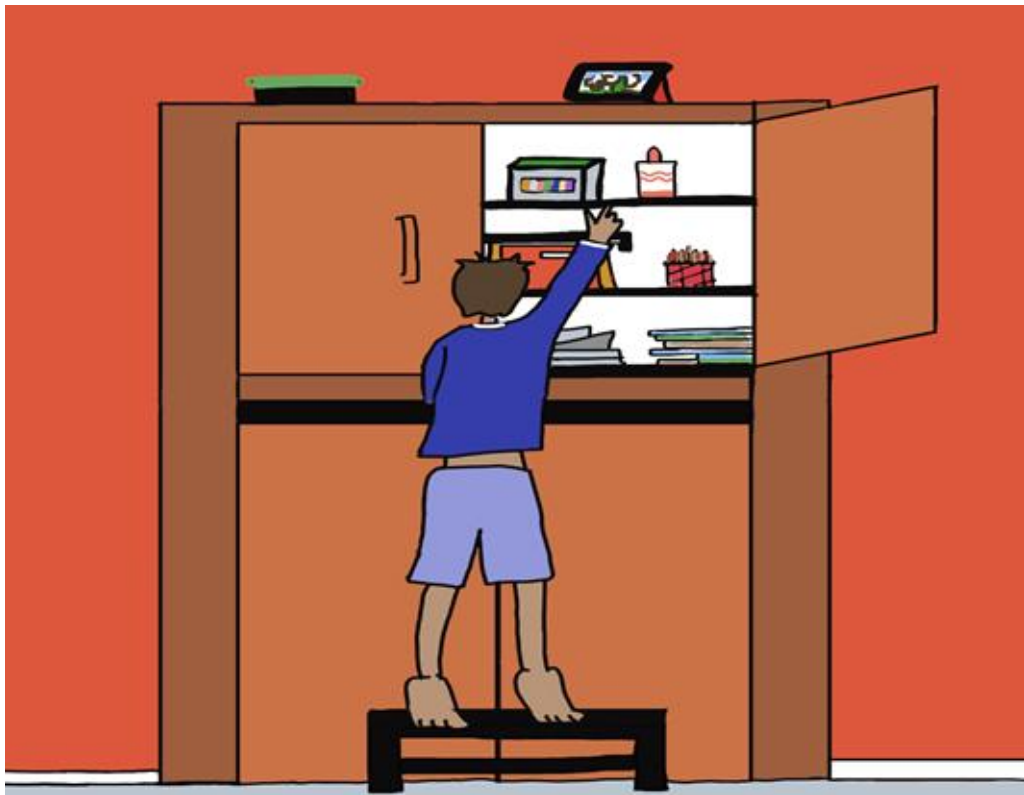

They had the flu.

Sue sat in her room and drew.

Joe ate a huge cup of soup.

Then he got the glue and  
went to Sue's room.

“I will use this glue to put up your new work,” he said.

Sue drew a blue moon and a  
cute mule.

Joe put them on the wall  
with his glue.

“Now I have a cool view in my room,” Sue said with pride.
