**The class went on a fun trip.**

The kids went to the river bank.

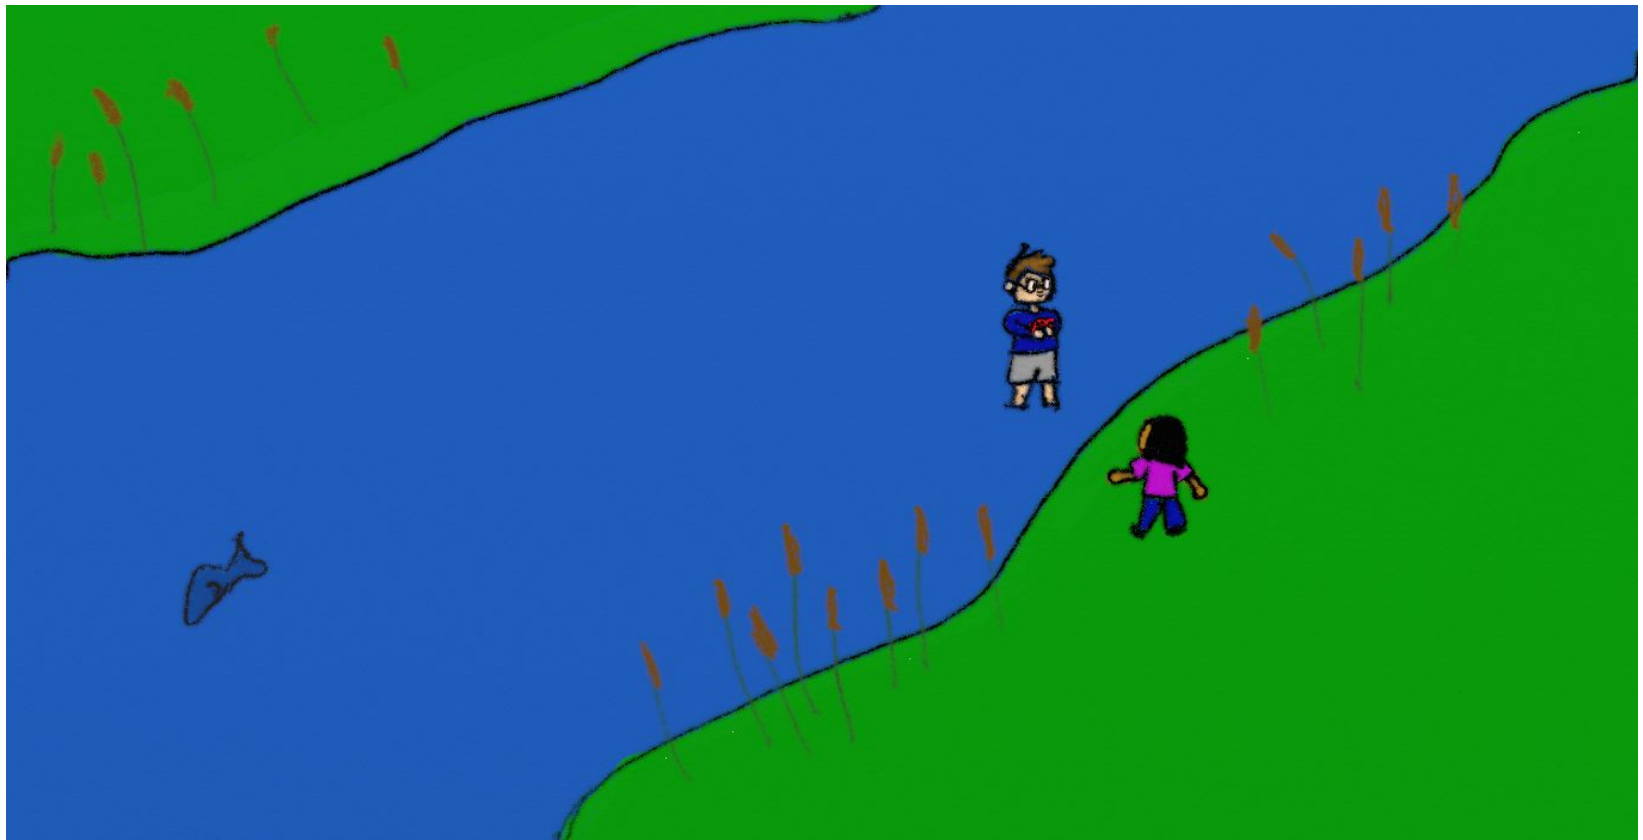

**They saw fish and a crab back in  
the grass.**

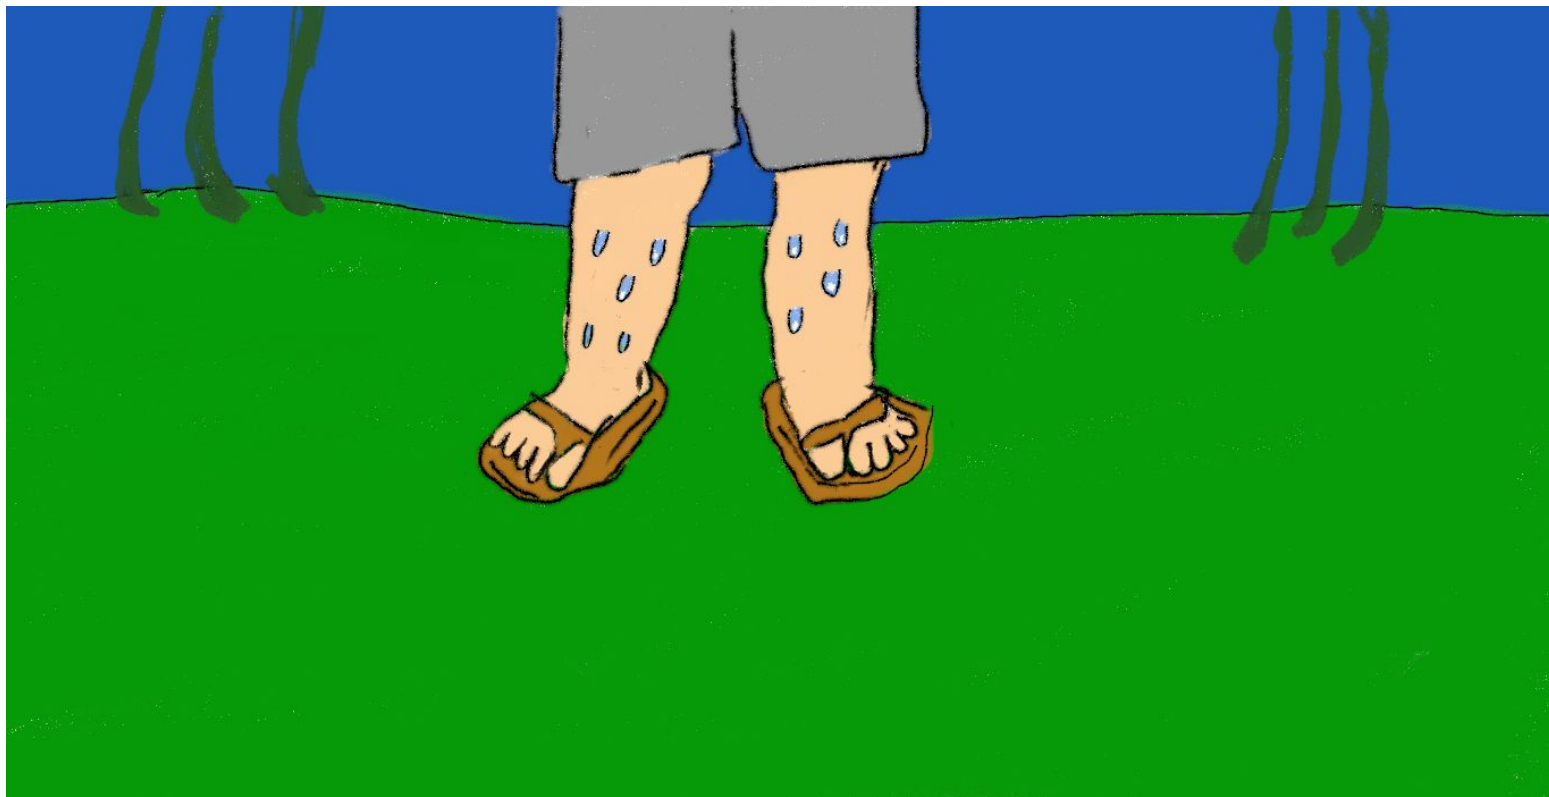

Scott said, "I spot a fish!".

Then Kris had him pull a crab  
up to the grass.

**Scott had flip-flops on so he got wet.**

**There was a spot where all the kids  
went to swim.**

The grown-up on the trip said “No!”,  
but Tran went in with a flip.

There were lots of claps from the kids.

But then they were glum when they had to get back on the bus.
